

Enjoy pasta sauce - the Italian Way

Tuck into an authentic pasta dish with these new sauce recipes from Sacla', the Pesto Pioneers.

Italian food is all about simplicity, with a focus on the very best ingredients. These chunky Italian sauces perfectly coat every piece of pasta with sauce, and then add texture with pieces of fresh vegetables. Nobody wants to drown their pasta, and leave their sauce at the bottom of the bowl!

Simply stir into pasta for a fuss-free way to add unbeatable flavour. Italian food lovers can pick from two irresistible recipes – creamy Artichoke or juicy Roasted Pepper. The trickiest part is deciding which one to taste first!

The Sacla' pasta sauce range is on shelves in Sainsbury's, RRP £2.30 a jar.
